The goal of the game is to climb a pinang tree and grab the prizes hung on top of the tree. The tree is smeared with grease to make it difficult for the climbers to get the prizes. ## Section 4 - Language Focus

### Unit 1. The Champion of Panjat Pinang

Recounting means talking about past experiences. Most of the time we include details of what happened in the past when recounting. At school, teachers also ask students to recount their past experiences. For example, they ask the students to recount their last holiday experiences or their activities on the last Independence Day.

To recount these past experiences, we need to use Past Simple verbs. The Past Simple verbs are usually formed by adding ‘*d*’, ‘*ed*’, or ‘*ied*’ to the base verb. Look at the following examples:

celebrate + *d* → **celebrated**

participate + *d* → **participated**

try + [change the ‘*y*’ to ‘*i*’] + *ed* → **tried**

We call these **regular** verbs.

Many other verbs, however, are **irregular**. These irregular verbs do not really follow any rules. They need to be learned. See the following examples:

win → **won**

make → **made**

hold → **held**

Have a look at the following examples taken from the previous dialogues.

Table 1.1 Past tense verbs

| Regular verbs                                                                     | Irregular verbs                                                                          |
|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------------|
| I <b>participated</b> in a tandem race, tug of war, Panjat Pinang, and sack race. | Today, our school <b>held</b> many games and competitions to celebrate Independence Day. |
| I <b>jumped</b> up onto my friends’ shoulders                                     | I <b>won</b> the marble in spoon race competition today.                                 |

Now read the dialogue in sections 2 and 3. Identify the regular verbs and irregular verbs. Then write the words on Worksheet 1.5.

| Regular | Irregular |
|---------|-----------|
|         |           |

### A Parade in My Hometown

When I was a child, I always waited for Independence Day. My father used to ask me to watch a parade together. We saw it from our front yard. I remember how attractive the parade was.

In the first line of the parade, I saw the people **dressed up** uniquely. Some people wore Indonesian heroes' costumes. Some others dressed like local ghosts. They were scary but they were funny, too.

Next, I remembered that a lot of people **marched in** the second line. They waved a mini Indonesian flag. They walked around the village and sang the 'Hari Merdeka' song. Their singing was accompanied by traditional instruments like *angklung*, *suling*, and *rebana*.

At last, I also saw that many children rode their bicycles in the parade. They decorated their bicycles creatively.

I always wanted to join the parade but I was too shy. Luckily, I have the chance to join a parade at my school next week. I am really looking forward to it.

- c. Work in pairs. Write people's activities in the parade based on Andre's story. You may add the bubble.

### SMP Merdeka's School Parade

On August 17th, SMP Merdeka held a school parade to celebrate Independence Day. All students joined the event and so did Galang and his friends. They dressed up like the Indonesian freedom fighters during the Independence war. Some of them brought guns, spiked bamboos, swords, and many more. They also wore many red and white attributes making the event more patriotic.

In the beginning, as instructed, all participants lined up and started to march. Then, they marched along the decided route passing some villages near SMP Merdeka. The villagers were very excited to watch the parade pass their houses. Many of them stood along the street welcoming and cheering the parade.

Not so long after, the parade reached the rest post. It was the place for participants to draw a door prize coupon and have some drinks. After drawing a coupon, they continued to parade to their school as the final destination.

After returning to school, all participants took some rest while waiting for the door prize announcement. Finally, the headmaster announced the winner. There were ten students who got the door prize and Galang was one of them. Everyone felt happy with the events.

### Unit 2. Going to a Parade

When we are telling a story about our past experiences or past events, we often use words to show a sequence, such as

First

Next

After  
School

Finally

They are called **time connectives**. They are used to connect one past event to another past event. The time connectives can help the readers or listeners understand a set of related events in a story easily. They tell when a story started, when some new events happened, and when the story ended.

Table 1.2 contains some other useful time connectives.

| Beginning                                                                                                         | Middle                                                                                                                                                                                                                                          | Ending                                                                                                                                                                          |

### A School Parade

Hi, readers.

How did you celebrate your Independence Day? I celebrated it by joining a school parade. We had so much fun before and during the parade. Let me tell you how it went.

In the beginning, we prepared our costumes. Every class had to choose one student to dress as an Indonesian hero. I was chosen as the class representative. I dressed as Cut Nyak Dien. Other students wore red and white clothes.

After I dressed up, I went around the school with all the students. During the parade, we sang the 'Hari Merdeka' song. There was a marching band following us. Suddenly, it started to rain. We ran back to our classroom.

Finally, after the rain stopped, we gathered back at the schoolyard. The headmaster announced the winner of the best costume. A student from the other class won. He dressed up as Tuanku Imam Bonjol.

The school parade was fun and made us remember our national heroes. I was so proud. I could not wait to join this again next year.

Today, my school held an Independence Day celebration event. It welcomed students from every grade to participate in many fun games, such as tug of war, *krupuk* race, sack race, tandem race, and the marble in spoon race. Many students participated, which made all the games so exciting.

In the beginning, I participated in the marble-in-spoon race. It was a very tight game between me and Galang. I almost beat him at the beginning of the race, but he was so fast and steady. He could even run with it. He came first and I came second. It was hard to beat Galang in this game.

The next game was a tug of war, sack race, and tandem race. All the games were held at the same time. I saw Andre participate in the sack race. At first, he led the race, but suddenly he fell in the middle of the race. But finally, he came second. It was so sad that he couldn't finish first. Meanwhile, Pipit participated in a tandem race with our friends. Her team came third. It was not too bad.

The last game was the *krupuk* race. Once again I met Galang in the final. The fun part was I finished first and he finished after me. I finished my *krupuk* with three or four bites.

It was a joyful day at my school. Everyone put a smile on their faces. I was delighted. At the end of the event, my class was announced as the grand champion of the whole competition.

Based on the explanation above, we can find out the structure of the text in Unit 2, section 4 as an example.

On August 17th, SMP Merdeka held a school parade to celebrate Independence Day. All students joined the event and so did Galang and his friends. They dressed like the Indonesian freedom fighters during the Independence war. Some of them brought guns, spiked bamboos, swords, and many more. They also wore many red and white attributes making the event more patriotic.

Orientation

**In the beginning**, as instructed, all participants lined up and started to march. Then, they marched along the decided route passing some villages near SMP Merdeka. The villagers were very excited to watch the parade passing their houses. Many of them stood along the street welcoming and cheering the parade.

Record of  
Events

**Not so long after**, the parade reached the rest post. It was the place for participants to draw a door prizes coupon and have some drinks. After drawing a coupon, they continued to parade to their school as the final destination.

**After returning** to school, all participants took some rest while waiting for the door prizes announcement. Finally, the headmaster announced the winner. There were ten students who got the door prize and Galang was one of them.

**Everyone felt happy with the events.**
